Interdisciplinary Health Sciences Institute (IHSI)

Gillian Snyder, PhD
Research Development Manager,
Clinical & Translational Neuroscience
IHSI – Who Are We & What Do We Do?

Campus-Wide Health Sciences Support

• Focus On Health Challenges
• Identify Opportunities
• Develop Partnerships
• Build Resources
• Problem Solving
Clinical Partnerships

• Difficulty finding clinical partners
• Trouble navigating clinical procedures

What is the best way to navigate clinical partnerships?
IHSI – Here To Help
